

SUMMARY

Data Analyst with a strong background in Commerce and Logistics. Enthusiastic about continuous learning and dedicated to expanding knowledge and skill sets to effectively solve challenges. Believes in the power of data to change the world. I have come to understand and appreciate that data is powerful.

WORK EXPERIENCE

Data Analyst || Yele Logistics

Feb. 14, 2023 - June 23, 2023

- Interpreted data to identify key metrics and drew conclusions on the cause of a sales decline, resulting in a 10% increase.
- Proposed solutions to enhance logistics operations efficiency, leading to a 15% reduction in operating costs within Ekiti.
- Discovered and addressed the low Saturday orders trend, optimising fuel supply to riders for cost savings.
- Pioneered the categorization of orders based on trend analysis for improved operational insights.

Logistics Coordinator || Yele Logistics

Aug. 22, 2023 - Jan. 23, 2023

- Interpreted data to identify key metrics and drew conclusions on the cause of a sales decline, resulting in a 10% increase.
- Proposed solutions to enhance logistics operations efficiency, leading to a 15% reduction in operating costs within Ekiti.
- Discovered and addressed the low Saturday orders trend, optimising fuel supply to riders for cost savings.
- Pioneered the categorization of orders based on trend analysis for improved operational insights.

VOLUNTEER WORK

Content Writer || Glimpse

March, 2022 - August, 2022

- Created engaging and informative content on various topics, contributing to the company's online presence.
- Collaborated with the team to develop content strategies that aligned with the organisation's goals.
